

IP Key China

This newsletter compiles information on the latest activities carried out by the EUIPO in the context of the EU-Funded IP projects implemented on behalf of the European Commission.

IPKey China Project Upcoming Activities

Response to On-line Counterfeiting and Piracy: Feasibility Study and Seminar/Conference

01/11/19

Area: China Location: China

China's online and e-commerce environment is undergoing significant changes, both from a legislative point of view and the perspective of rights holders and sellers. With the advent of new technologies such as blockchain and AI, these currents have sparked new debates about the enforcement of an...

Knowledge Exchanges on Patent Law Reform

02/09/19

Area: China Location: EU (tentatively: Belgium, Germany and Denmark)

China's Patent Law, which lays the foundation for the legal framework of patent laws, was adopted in 1984, and amended three times in 1992, 2000 and 2008. Although the Chinese Patent Law per se has not been changed since 2008, several aspects of the law have already been revised. In December...

Knowledge Exchanges on Patent Trials

19/05/19

Area: China Location: France, Luxembourg, Germany

China now files more patents than any other country in the world, including the U.S. In part, this has been fuelled by a government drive to encourage universities and technology firms to file. Yet whilst mobilising state policy to increase the quantity of applications has not been a challenge...
