

IP Key China

This newsletter compiles information on the latest activities carried out by the EUIPO in the context of the EU-Funded IP projects implemented on behalf of the European Commission.

IPKey China Project Activities from 01/10/19 to 31/12/19

Study visit on cross-border IP enforcement

09/12/19

Area: China **Location:** The Netherlands and Belgium

Building on recent co-operation with the Ministry of Public Security (MPS), which included a three-day training course on cross-border IP enforcement held in Changchun, China in October 2019, IP Key China led a study visit of six senior Chinese officials to the Netherlands and Belgium from 9 to...

Training by CPVO on the implementation of the Quality Audit System in Examination Offices of the EU

21/10/19

Area: China **Location:** Nanjing and Kunming, China

The steep increase in PVP applications in China and the rapidly growing number of botanical taxa included in the system have resulted in the creation of new DUS test centres and the collaboration with existing institutions working in this field. Next to the training of experts involved in DUS...
